Jalapeño Cheddar Queso

Ingredients

- ½ lb **Hofmann Jalapeño Cheddar Sausage**
- 1 lb Velveeta®
- 1 can of RoTel® Original Diced Tomatoes and Green Chilies undrained; or for less heat substitute fire roasted or regular diced tomatoes from a can undrained

Directions

- * Grilled or pan fried sausage links – Remember, Hofmann products are already fully cooked.
- * Deconstruct the sausage after cooking when slightly cool or cut into small pieces.
- * Cut Velveeta® into ½-inch cubes.
- * Put sausage pieces and all other ingredients into microwaveable bowl or in small pot stovetop.
- * Microwave on HIGH 5 min., stopping it at 3 min. to stir*, and then continuing until Velveeta is completely melted; OR cook on medium heat stovetop stirring often until blocks of Velveeta® are completely melted. More time may be needed.
- * Transfer queso* to crockpot on low/warm or to a bowl and serve with tortilla chips.

WARNING: Be careful when removing bowl from microwave if you choose that option as the bowl will be hot.
